

AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions and listings of claims in the application:

Listing of Claims:

1. (Original) In combination, an air fragrance and a container for a baby care product, comprising a portable container having a first wall forming a first chamber for a baby care product selected from the group consisting of baby wipes, baby creams and petroleum jelly, baby wipes, and a second chamber for air fragrance, said second chamber having at least one opening for release of said air fragrance.
2. (Original) The combination as claimed in claim 1, wherein said air fragrance is detachable from said second chamber.
3. (Original) The combination as claimed in claim 2, wherein said air fragrance is contained in a container having at least one opening and said first wall is configured to receive said container.
4. (Original) The combination as claimed in claim 3, wherein said first wall and said container are configured to form an interference fit between said first chamber and said container.
5. (Original) The combination as claimed in claim 4, wherein said first wall and said container or air fragrance are configured to form a releasable interference fit between said container.
6. (Currently Amended) The combination as claimed in ~~any one of~~ claims 3 to 5, wherein said first wall is configured to form an indentation for receiving said container.
7. (Currently Amended) The combination as claimed in ~~any one of~~ claims 3 to 5, wherein said first wall is configured to form a releasable interference fit between a bottom of said first wall and a top of said container.

8. (Original) The combination as claimed in claim 7, wherein said container has a container bottom configured to maintain said combination upright on a flat surface.

9. (Currently Amended) The combination as claimed in ~~any one of~~ claims 1 to 8, wherein said container has a plurality of said openings.

10. (Currently Amended) The combination as claimed in ~~any one of~~ claims 1 to 9, wherein said first chamber has a removable lid.
